

CBD Capsules (300mg) 30 x 10mg

Tessellate Collective Premium CBD Capsules are made with pure, ground hemp with added CBD extract. A full spectrum product that is vegan-friendly and gluten-free product perfect for people that ordinarily take capsules.

Each jar contains 30 capsules with each individual serving containing 10mg of CBD and a whole host of other cannabinoids straight from the plant.

A purely natural food supplement for those who are looking to take only the best from nature.

Tessellate Collective offer the highest-grade herbal extracts derived from the Cannabis plant. Formulated to glean the best from the plant while leaving behind the chemical compounds that are still illegal in the UK. Used by people of all ages for wellness and balance in the body.

Contains the full spectrum of naturally occurring Cannabinoids, terpenes, flavonoids and waxes.

Our Capsules do not contain GMO ingredients.

Manufactured in the U.K adhering to all legislation and regulation.

Ingredients

Each capsule contains:

- 10mg of CBD (Cannabidiol)
